

UKCS 2021 Online Conference: CALL FOR VIDEOS

As part of the UKCS 2021 programme, we would welcome submitted videos.

The Scientific Committee invites the submission of videos of a procedure, consultation, simulation or any topic relevant to the UKCS Membership. *Videos relating to “COVID-19 – the impact and lessons learnt” are particularly welcome.*

How to submit:

Videos should be sent to: ukcsabstracts@indexcommunications.com

By 10am on 5th January 2021

Submission rules:

- a) All videos must be accompanied by a written abstract of no more than 600 words (less is fine)
- b) Written abstracts must include title and description/explanation of what is demonstrated in the video and the key educational message of the video
- c) All videos must be 5 minutes or less in length from start to finish. This duration includes any time used to show the title, or any information associated with the video
- d) The video must be in MP4 format
- e) If there is music with the video, the submitter must provide confirmation of copyright permission
- f) If the video involves patients we require confirmation that informed consent was obtained for the use of the video in line with hospital/unit policy
- g) Presenters of accepted videos must register as delegates for the UKCS 2021 Online Conference

Process

- The videos and video abstracts will be reviewed and scored by a Sub-Committee of the Scientific Committee
- The Sub-Committee’s decision is final
- Accepted videos will be featured after the Online Conference on the UKCS website
- A prize will be awarded for the best video presented at the Online Conference

Submission represents acceptance of the Submission rules and process.
